## Independent Auditor's Report

### To the Directors of Hope and Light Community Welfare (NPC)

I have audited the financial statements of Hope and Light Community Welfare (NPC), which comprise the statement of financial position as at 31 December 2025, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages 3 to 12.

### Directors' Responsibility for the Financial Statements

The organisation's directors are responsible for the preparation and fair presentation of these financial statements in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the annual financial statements, the directors are responsible for assessing the organisation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the organisation or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with International Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Opinion**

In my opinion, the financial statements present fairly, in all material respects, the financial position of Hope and Light Community Welfare (NPC) as at December 31, 2025, and its financial performance and its cash flows for the year then ended in accordance with the requirements of the Companies Act 71 of South Africa.

**Other Matter**

*Secretarial and Accounting Duties*  
With the written consent of all directors, we have performed certain accounting duties.

**Other reports included in the Annual Financial Statements**

As part of our audit of the financial statements for the year ended 31 December 2025 we have read the Report of the National Executive Committee for the purpose of identifying whether there are material inconsistencies between these reports and the audited financial statements.

These reports are the responsibility of the representative preparers. Based on reading these reports we have not identified material inconsistencies between these reports and the audited financial statements. However, we have not audited these reports and accordingly do not express an opinion on these reports.

**HOPE AND LIGHT COMMUNITY WELFARE (NPC)**  
**DIRECTORS' RESPONSIBILITY AND APPROVAL**  
**for the year ended 31 DECEMBER 2025**

The directors are required by the Companies Act 71 of South Africa to maintain adequate accounting records and are responsible for the content and integrity of the audited financial statements and related financial information included in this report. It is their responsibility to ensure that the financial statements fairly present the state of affairs of the organisation as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the basis of accounting as set out in Note 1 to the financial statements.

The audited financial statements are prepared in accordance with the basis of accounting as set out in Note 1 to the financial statements and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgments and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal financial control established by the organisation and places considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, the directors sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the organisation and all employees are required organisation's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the organisation. While operating risk cannot be fully eliminated, the organisation endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The directors are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the audited financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The directors have reviewed the organisation's cash flow forecast for the year to 31 December 2026 and, in the light of this review and the current financial position, they are satisfied that the organisation has or has access to adequate resources to continue in operational existence for the foreseeable future.

The external accountant is responsible for independently reviewing and reporting on the organisation's financial statements. The financial statements have been examined by the organisation's external accountant and their report is presented on page 2.

The financial statements which have been prepared on the going concern basis, were approved by:

**HOPE AND LIGHT COMMUNITY WELFARE (NPC)**  
**REPORT OF THE DIRECTORS**  
**for the year ended 31 DECEMBER 2025**

The directors present their report for the year ended 31 December 2025. This report forms part of the audited financial statements.

**1 General review**

The organisation's operations and the results thereof are clearly reflected in the attached financial statements. No material fact or circumstance has occurred between the accounting date and the date of this report.

**2 Statements of responsibility**

The directors are responsible for the maintenance of adequate records and the presentation and integrity of the financial statements and related information. The auditors are responsible to report on the fair presentation of the financial statements. The financial statements have been prepared in accordance with the International Financial Reporting Standards for Medium-sized Entities and in the manner required by the Companies Act of South Africa.

The directors are also responsible for the company's system of internal financial control. These are designed to provide reasonable, but not absolute, assurance as to the reliability of the financial statements, and to adequately safeguard, verify and maintain accountability of assets, and to prevent and detect misstatement and loss. Nothing has come to the attention of the directors to indicate that any material breakdown in the functioning of these controls, procedures and systems has occurred during the year under review.

The financial statements have been prepared on the going concern basis, since the directors have every reason to believe that the organisation has adequate resources in place to continue in operation for the foreseeable future.

**3 Events after the reporting period**

The directors are not aware of any matter or circumstance of a material nature arising since the end of the financial year. All relevant information has been included in the notes to the financial statements.

**4 Directors**

The directors of the company during the accounting period and up to the date of this report are as follows:

| Name                      | Nationality   |
|---------------------------|---------------|
| Daniel Ferdinand Immelman | South African |
| Judith Hill               | German        |

## 1 PRESENTATION OF AUDITED FINANCIAL STATEMENTS

The annual financial statements have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities. The annual financial statements have been prepared on the historical cost basis and incorporated the principle accounting policies set out below. They are presented in South African Rands.

These accounting policies are consistent with previous period.

### 1.1 CASH AND CASH EQUIVALENTS

Cash and cash equivalents comprise cash on hand and demand deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value. These are initially recognised at fair value and subsequently recorded at amortised cost.

### 1.2 REVENUE RECOGNITION

Revenue comprise donations received, government grants and self generated income from the organisation's educational facility. Donations and/or government grants received for specific projects/bequests which have not been applied to said projects/bequests at year end are recognised as a liability under "Deferred Income" on the balance sheet.

### 1.3 PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment are tangible assets which the body corporate holds for its own use or for rental to others and which are expected to be used for more than one period. Property, plant and equipment is initially measured at cost. Land and buildings are subsequently stated at revalued amount, being the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Revaluations are made with sufficient regularity such that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period. When land and buildings are revalued, any accumulated depreciation at the date of the revaluation is eliminated against the gross carrying amount of the asset. Any increase in an asset's carrying amount, as a result of a revaluation, is recognised in other comprehensive income and accumulated in the revaluation surplus in equity. The increase is recognised in profit or loss to the extent that it reverses a revaluation decrease of the same asset previously recognised in profit or loss. Any decrease in an asset's carrying amount, as a result of a revaluation, is recognised in other comprehensive income to the extent of any credit balance existing in the revaluation surplus in respect of that asset. Any remaining decrease in excess of such credit is recognised in profit or loss in the current year. The revaluation surplus related to land and buildings is transferred to a non-distributable reserve. The amount transferred is equal to the difference between depreciation based on the revalued carrying amount and depreciation based on the original cost of the asset, net of

Plant, equipment and vehicles are included at revalued amounts less depreciation. Depreciation is calculated to write off the cost or amount of the valuation of property, plant and equipment on straight line basis over their expected useful lives. Land and buildings are not depreciated. The expected useful lives are as follows:

|                        |         |
|------------------------|---------|
| Computer equipment     | 3 years |
| Furniture and fixtures | 6 years |
| Leasehold improvements | 5 years |
| Motor vehicles         | 5 years |
| Office equipment       | 3 years |
| Other fixed assets     | 5 years |

### 1.4 CASH FLOWS

For the purposes of the cash flow statement, cash includes cash on hand, deposits held on call with banks, investments in money market instruments, and bank overdrafts.

### 1.5 COMPARATIVE FIGURES

Where necessary, comparative figures have been adjusted to conform with changes in the presentation in the current year.

### 8 CONTINGENCIES

8.1 The organisation is defending an action brought by the previous auditor in relation to fees for services rendered from 2022 to 2023. Although liability is not admitted, if the defence against the action is unsuccessful, the organisation would be liable to settle any amounts owed. Based on the legal advice of the organisation's attorney, the directors believe that its defence of the action will be successful with no liability.

8.2 There are rates and taxes outstanding for the building that the organisation occupies as the children's home. The property is owned by the Methodist Church, but ultimately the organisation will be responsible for the outstanding debt. The organisation is uncertain of the amount owed to the Municipality as no invoices or statements reflecting the total liability has been received from the Methodist Church or Municipality to date.
